COUNCIL COMMUNICATION

AGENDA TITLE: Accept donation of \$2,500 from Lodi High School for Improvements to Zupo Field

MEETING DATE: December 18, 2002

PREPARED BY: Parks and Recreation Director

RECOMMENDED ACTION: That the City Council accept a donation from Lodi High School in the amount of \$2,500 for improvements to Zupo Field.

BACKGROUND INFORMATION: This past summer, it was determined that Zupo Field is in need of a renovation to include new turf in the outfield and in the apron areas and new irrigation in the apron areas and upgrade in the outfield system. Staff met with various users of the facility, including the Boosters of Boys/Girls Sports Organization (BOBS) and the local high schools, requesting any available funds for assistance.

Recently, the BOBS presented City Council with \$8,000 toward the project. Staff requests acceptance of the Lodi High School donation of \$2,500 to further help offset the project costs. Per Council policy, donations must be accepted by the City Council. This project is currently in progress.
